【Some notice at the day】

A. Please ask the person in charge if you are unsure of what to do.

If you continue working on something without asking for help, your project may not come out properly.

B. We will fire your work in our kilns for you and attach with metal fittings.

C. The finished work will be delivered within 10 days.

<How to make glass for kids>

1) Choose a fish-shaped or heart-shaped glass plate with dad and mom

2) Place your favorite glass parts on the smooth side of glass plate.

As both sides and edge of the glass plate are sharp, so be careful not to cut your hands. Please watch your kids who do NOT swallow any pieces of glass parts by accident.

3) your glass parts on the glass plate with a small amount of wood bond to be nicely finished. The selected glass is placed and completed.

4 We will fire your work in our kilns for you and attach with metal fittings.

* Mounting base is included.

5) The finished work will be delivered without 10 days.
