A. If you have any questions, please ask the person in charge.

Continuing to work without asking for help may result in the project going awry.

B. Safety glasses are available for loan. You must wear them when working with glass.

After cutting glass, please clean your desk with a brush as small pieces may get on your hands. It is easy to cut your hand on the edge of the glass, so please hold the surface of the glass, not the edge.

C. The production time is set at one hour.

If the production time exceeds one hour, an additional fee (2,000 yen) will be charged.

D. The completed work will be delivered within 14 days.
